2012

If you are interested in an opportunity to engage students in a variety of exciting activities to support summer 2012 learning, please review the following.

Summer Associate Activities:

Summer Associates will be serving in either the Think Summer! program offered by Communities In Schools or in the Kalamazoo Public Schools Summer School. Think Summer! aims to prevent academic learning loss and maintain behavior and attendance goals established during the school year through a summer tutoring and enrichment program for students in grades 1-9. Kalamazoo Public Schools utilizes the Summer Associates to support high quality intensive instructional activities in literacy and mathematics for students in grades 1 and 2.

It should be noted that the Summer Program Associates is a temporary, full time (40 hours/week) position. The orientation and summer programming begins June 14th and concludes August 8th.

Candidates **must** be available and work, Monday through Friday, for the complete summer schedule and are not allowed to have another job during that period. Benefits include: a living allowance for time served (\$1,646.77 for the 8 weeks) and a \$1,174.60 AmeriCorps Education Award OR a \$125/month summer stipend.

The first interviews will begin the week of April 16th and continue into the month of May. Please confirm your interest and availability, with submission of a cover letter and current resume to: dkievit@ciskalamazoo.org
